APPROVAL OF STATE ENGINEER		
This is to certify that I have examined the foregoing applicat	ion,	
and do hereby grant the same, subject to the following limitations a	nd	
conditions:		
This permit is issued subject to all existing rights on source and is limited to what the well willproduce but not to exce		
2.5 c.f.s. It is understood that this right must allow for a reas lowering of the static water level at permittees well due to other	<u>ona</u> ble	
water development in the area. A substantial weir or other type of	f	u
measuring device must be installed and measurements of water use kand a method provided, either air line or opening, for measuring d	ept, epth	
to water. The State retains the right to regulate the use of the herein granted at any and all times.		
The amount of water to be appropriated shall be limited to the amoun	. :	
which can be applied to beneficial use, and not to exceed 2.5		
cubic feet per second, or a yearly duty of 5 acre-feet per acre of	land	
irrigated. Actual construction work shall begin on or before December 4, 1957.		
Proof of commencement of work shall be filed before January 4, 195	l' · -	
Work must be prosecuted with reasonable diligence and be completed of	n or	
before December 4, 1958.		
Proof of completion of work shall be filed before January 4, 1959	ļ	
Application of water to beneficial use shall be made on or before	, ,	
December 4, 1960. Proof of the application of water to benefi	cial	
use must be filed with State Engineer on or before January 4, 1961		1
witness my hand and seal this 4th		1
